ISA Withdrawal/Closure Request

This form contains the information that you can use to:

- make a partial withdrawal from your ISA.
- make a full withdrawal and close your ISA.

It cannot be used for:

- transferring your ISA to another ISA manager; you will need to contact the other ISA manager to do so.

We regularly update our documents; your financial adviser can confirm that this **October 2023** version is the latest by checking on our website [quilter.com](https://www.quilter.com)

Note – **Ours is a flexible ISA;** this means that if you make a partial withdrawal the money withdrawn can be paid back into the ISA within the same tax year without counting towards your annual ISA allowance.

Tax

- **Non-UK tax** – if you are subject to tax in any country outside the UK, please contact your tax specialist, to understand whether you will be liable for tax in that country.

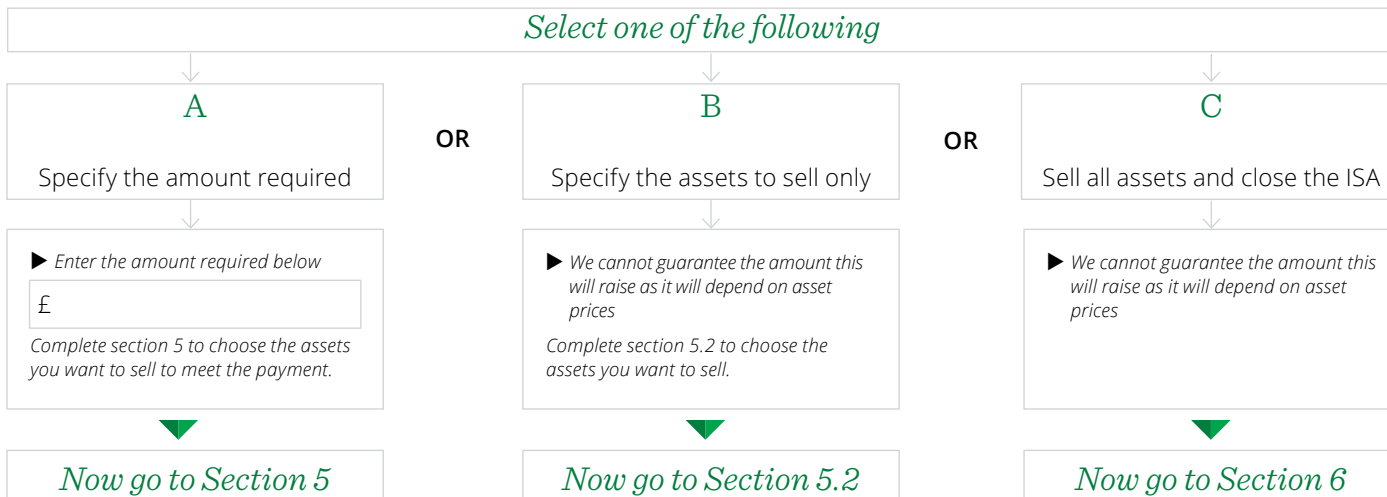

The importance of financial advice

Whatever the reason for selling, we recommend that you consult your financial adviser before you do so. Your adviser will be able to explain your options, help you decide the most suitable route and advise you about any tax implications.

4. ISA withdrawal instruction

- Note** – **Select A** – to withdraw a specific amount of money.
 – **Select B** – if you just want to sell specific assets
 – **Select C** – to sell all assets and close the ISA.
 – The minimum withdrawal is £50.
 – If you are not closing your account, you must leave a balance in it to keep it open after the withdrawal.

5. Choose assets to sell

Tick/Complete **ONE** of the following to indicate the assets you wish to sell to meet your withdrawal payment.

- If you choose to sell any ETIs (Exchange Traded Instruments), a Dealing Charge will apply for each ETI sold, which means you might receive less than you requested. ETIs can only be sold in whole shares. Therefore, if the sale proceeds then exceed the required withdrawal amount, the excess will be held as cash within your ISA.
- We can only sell funds that are available for trading, therefore any that are 'suspended' will not be included when carrying out your instruction. If we can proceed with your request by withdrawing from the available funds, we will do so, otherwise we will seek revised instructions.

5.1 Sell proportionally across all assets in the ISA (including cash) – **Now go to section 6**

5.2 Sell the following assets

Asset/Portfolio Name	Inc/Acc	Amount to withdraw		
		£	%	Withdraw all

- Note** – Unless you select 'withdraw all', any amount to be withdrawn from an asset (other than cash) must equate to 95% or less of the asset's value; this is in case changes in prices cause the value to be lower than the amount you request.
- If you list an asset above, but do not specify the amount to sell we will contact you for clarification, which will delay your withdrawal.
 - If you ask for an entire asset to be sold and the balance up to a required amount to be taken from another asset, we will sell the first asset, then when we know the amount raised, we will carry out the remainder of your instruction.
 - If you select a portfolio, we will take the amount requested from the portfolio across all of the assets within it.

Now go to section 6

Withdrawal/Closure Request - ISA

Questions and Answers

These notes are for you to keep; please read them before completing and submitting your request.

1. Are there any tax implications if I make a withdrawal?

- Withdrawing from an ISA means that you are taking money from a tax-efficient product; you should speak to your financial adviser before submitting this form.
- However, ours is a flexible ISA, which means that if you make a partial withdrawal, the money withdrawn can be paid back into the ISA within the same tax year without counting towards your annual ISA allowance.

2. Are there any charges for withdrawing from, or closing, my ISA?

- If you are selling any Exchange Traded Instruments (ETIs) a Dealing Charge is made, for each ETI sold, to cover our stockbroking charges and associated costs.
- If you are closing your account, any charges and fees which have accrued but which have not yet been paid, will be deducted from the closure proceeds.

3. How long does it take to receive my money?

- Provided we have received all of the information and documents we require, payment will normally be sent or invested in line with your instructions six working days after we send your instruction to the asset managers or our stockbroker. However, it can take up to 10 working days. This is because it can take **six working days** for the sale proceeds to reach our bank account, before we can complete the process for releasing the money. Other, delays can sometimes occur, for instance:
 - If you invest by Direct Debit, and we receive your request around the Direct Debit collection date, we might need to establish whether the Direct Debit payment has cleared before releasing the sale proceeds.
 - If more than one transaction was required to meet your request.
 - If other transactions are in progress on your account; they will need to complete first, even if the assets in those transactions differ from those being sold to meet your withdrawal.
 - If the assets being sold have different 'dealing points*', whereby we need to wait for all of the assets to be sold before the transaction is complete.
 - If we have been unable to carry out your instruction prior to the 'cut-off time*' for any of your assets.

**The time at which assets are priced by the asset managers is known as the 'dealing point'. We operate a 'cut-off time' prior to the dealing point. Details of the cut-off times and dealing points are on the fund information pages on our website quilter.com*

- Payments will be made to a UK bank account using BACS (Bankers' Automated Clearing System).

4. Do you require anything in addition to this form?

- **Proof of identification and signature** if not already provided by you or your financial adviser. Please enclose either a passport or a photo-card driving licence – either the original or a certified copy*.
- **Proof of the bank account ownership** if we have not already verified it. The proof can be an original or certified copy* of a voided cheque or bank account statement dated within the last six months. If you have online bank account statements, a printed copy certified* as a true copy will suffice.

**Copies must be certified on each page in ink by a professional such as your financial adviser, solicitor, accountant, GP or bank manager (including the bank's stamp). You can scan and send certified documents to us by email - see page 1 for details.*

5. What happens if there's a problem with my request?

- If, in our view, your instruction is not clear, we will be unable to proceed and we will typically contact you or your financial adviser. This could delay your request.

6. Are there any limits when withdrawing from my ISA?

- The minimum withdrawal payment is £50.
- For a partial withdrawal, the maximum you can withdraw is 95% of the value of the entire account and of any individual assets within it. This is in case changes in prices cause the value of the account/asset to be lower than the amount requested.
- If you withdraw all assets from your account it will be closed; therefore if you do not wish to close it, you should leave a balance in the account to keep it open.

7. What prices will I get?

- Sales of assets are dealt on a 'forward pricing' basis, which means that your assets will be sold at the first prices available after your request was carried out. We therefore cannot guarantee the prices you will receive. However, once the sales are complete, we will send you details including the prices and the value of the proceeds.

8. Who can be paid the proceeds?

- **You, the investor** – the payee will ordinarily be you, the investor; this is therefore the first option shown on the form.
- **A 'Client Money Account'** – we can make payment to a 'client money account' of a financial institution, a financial adviser, an accountant or a solicitor provided they are authorised to handle client money.
- **Payment to another Quilter Product** – If you want to transfer the proceeds to invest in another of our products, your financial adviser must submit your application online for that product at the same time as this Withdrawal/Closure request is made.
 - The application for the required product must be submitted online by your financial adviser, as a new application or as a top-up to an existing account.
 - **It is important that the contribution type for the online application is submitted as a 'single payment' with the payment method 'bank transfer'.**
 - We will carry out the withdrawal from the ISA upon receipt of this Withdrawal/Closure Request form.

Note – We will include the name of the investor on any payments we make.

9. Who has to sign this form to authorise the request?

- You as the ISA investor.
- Your financial adviser can sign this request on your behalf where the withdrawal proceeds are being invested into another account with Quilter, which is also in your sole name.

10. What is required if the form is being signed by an attorney?

- The attorney must add 'as attorney' after his/her signature.
- We need to see the original Power of Attorney, if not already sent to us. We can also accept a copy provided it is certified as a true copy of the original, in ink on each page by a solicitor.
- We also need proof of the attorney's identification if not already provided (for details of what we can accept as proof, see Q4).
- You can scan and send certified documents to us by email - see page 1 for details.

11. If I change my mind, can I stop my request?

- No – once we have received your instructions, they cannot be stopped.

12. What if I have more questions?

- Your financial adviser should be your first point of contact. However, if you would like to speak to us, please call our Customer Service Centre on 0808 171 2626 or email us at ask@quilter.com.
